Lymphatic Drainage Massage

The most effective technique for post-surgical recovery, detoxification, and reducing swelling. Our certified therapists use precise, evidence-based manual lymphatic drainage to restore your body's natural flow.

OUR SPECIALTY

Pain Relief Bodywork

Targeted deep tissue work for chronic pain, tech-neck, postural issues, and sports recovery. Our

therapists identify the root cause of your discomfort and address it with precision and skill.

CLIENT REVIEWS

What Our Clients Say

Real experiences from real people across the Bay Area

★★★★★

"Tina is absolutely incredible. I came in with chronic lower back pain that I'd been dealing with for years, and after just one session I felt genuine relief. She really listens and knows exactly what she's doing."

Sarah M.
Mountain View · April 2026

★★★★★

"I had my first lymphatic drainage massage here post-surgery and it was life-changing. The swelling went down noticeably after the first visit. The studio is clean, calm, and professional. Highly recommend."

Jennifer K.
Palo Alto · March 2026

★★★★★

"As a software engineer I sit at my desk 10 hours a day. The Tech Deep Bodywork session was exactly what I needed — she worked out all the knots in my neck and shoulders. Already booked my next appointment."

David L.
Sunnyvale · April 2026

★★★★★

"I've tried many massage therapists in the Bay Area and HyFlow is by far the best. Tina takes time to understand what you need before every session. The results actually last — not just the day of the massage."

Rachel T.
Los Altos · March 2026

★★★★★

"The mobile massage service is fantastic. Tina came to my home and brought everything — the table, linens, oils. It was incredibly convenient and the quality was just as good as in-studio. Will definitely book again."

Michael B.
Santa Clara · April 2026

★★★★★

"Her approach was very intentional — structured, directional movements that followed the lymphatic pathways. By the end of the session, my body felt noticeably lighter, and the heaviness in my legs had improved."
